About Us

Mond Design Associates, Inc. was founded to implement general interior design and architectural space planning services for the commercial and residential buildings.

From this foundation, MOND Design Associates, Inc has expanded into a comprehensive design firm, encompassing all aspects of interior design and space construction, including filing, application and arrangements of all kinds of architectural certificates, permission and documents.

The founder, Ei Koike, has been a professional in the field since 1972. He established MOND Design Associates, Inc. in New York City, NY, USA in 1990 .

Over twenty years' experience and our conscientious services are highly regarded, MOND Design Associates, Inc. is proud of the accomplishments such as awarded Restaurants, Offices, Boutique Stores and Residential Spaces.
